GOVERNOR **Edmund G. Brown Jr.**  
EXECUTIVE DIRECTOR (A) **Scott B. Frizzie**

August 8, 2013

The Board of State and Community Corrections (BSCC) is pleased to release the Fiscal Year 2013/2014 Request for Proposal (RFP) for the California Gang Reduction, Intervention, and Prevention (CalGRIP) Program.

Only California cities may apply for these funds, and cities with existing projects **may** apply for concurrent year funding (*see Grant Requirements p.6 of RFP for further direction.*) This year's funding requires the use of evidence-based programs, practices and strategies, and the rating criteria places particular emphasis on measurable objectives and outcomes; a local evaluation; and regional approaches. The grant funds require a dollar-for-dollar match, and at least 20 percent of the grant funds received must be distributed to one or more Community-Based Organizations.

The City of Los Angeles is not eligible to submit a proposal in response to this RFP, but will be allocated funds separately under the CalGRIP Program's, Request for Application (RFA) process.

It is anticipated that the grant period will begin on January 1, 2014, and end on December 31, 2015. California Cities may apply for up to \$500,000 in grant funds for gang prevention, intervention, and suppression activities, but should only request the amount of funds needed to support the proposal and not base their request on the maximum allowable grant amount.

Proposals must be received (*not just postmarked*) by BSCC, Corrections Planning and Programs Division by **5:00pm on Monday, September 23, 2013**. Applicants are encouraged to read the RFP carefully to ensure eligibility and that proposals contain all required elements. A copy of the RFP may be located at: [www.bscc.ca.gov](http://www.bscc.ca.gov).

If your city is intending to apply for these funds, please provide a **Notice of Intent** to apply by **August 28, 2013**. Send the notice or email to Leona LaRochelle, Program Analyst, at [Leona.larochelle@bscc.ca.gov](mailto:Leona.larochelle@bscc.ca.gov) or call (916) 445-4677.
